

PRODUCT INFORMATION SHEET

Active

SPECIAL DETERGENT POWDER FOR SHIRTS

DESCRIPTION:

Active is a special detergent powder developed especially for laundering white and coloured shirts of the most popular fabric types.

It is boosted with safe bleach which is suitable for use on colours and whites. This makes **Active** a versatile and “one shot” product.

Being “One Shot” means **Active** can be used in the cold or warm pre-wash and the main wash so minimising stock levels.

SUGGESTIONS FOR USE:

Add powder to the hoppers that takes the first and seconds flush ins.

Can be used over a wide temperature range. Optimum results are achieved in the range of 45° to 65°.

HOW MUCH TO USE:

Use rate is dependent on amount and type of soilage and number of washes employed in the wash cycle and mechanical action of the washer. As a guide use the following amounts.

Light Soilage	1 to 2 grams per kilo
Medium Soilage	2 to 4 grams per kilo
Heavy Soilage	5 to 10 grams per kilo

PACKAGING DETAILS:

25 kg bags.

HEALTH AND SAFETY:

A **MSDS** is available on request.
