

PRODUCT INFORMATION SHEET

Crown

LAUNDRY DETERGENT POWDER

PRODUCT APPLICATION:

Crown commercial grade powder for laundering heavily soiled garments from factories, meat works, kitchens, motor garages, hospital laundries and all work places that generate heavy soilage.

Constructed to produce sparkling colours and soil removal in all types of industrial garments including polyester and cotton blends.

Free rinsing, dissolves instantly.

Bio degradable: Economical usage rate.

Crown is a non-caustic highly concentrated product featuring controlled sudsing and built with optical brightening agents, soil suspension agents, water softeners etc.

Crown will effectively remove embedded soils such as mineral oil and food type stains at reasonable temperature levels. Extensive testing and customer usage shows exceptional rinsing qualities. It is a free flowing pleasant to use and dissolves rapidly. It has a mild lemon perfume

HOW MUCH TO USE:

Use rate is dependent on amount and type of soilage, number of washes employed in the cycle and mechanical action of the washer and incoming water supply. As a guide use the following amounts.

Light soil	2.5 grams per kilo
Medium soil	2 to 6 grams per kilo
Heavy soil	2 to 10 grams per kilo

PACKAGING DETAILS:

Available in bags or pails.

HEALTH AND SAFETY:

A **MSDS** is available on request.
