

PRODUCT INFORMATION SHEET

Nappi-Glo

COMPLETE NAPPY TREATMENT

USES:

For use as a laundry soaker or detergent booster and as a complete detergent.

Ideal for stain removal, adds extra whiteness and brightens colours. Provides anti bacterial action at recommended concentrations.

HOW TO USE:

Always follow garment manufacturers care instructions.

Separate white and coloured garments, treat separately, never together. Do not soak silk or woollen garments that have metal accessories.

Check colour fastness by soaking a hidden portion of the garment for 10 to 15 minutes. Do not mix with other chemicals, i.e. chlorine bleach etc.

DIRECTIONS FOR NAPPY SOAKING:

Add one capful or 2 heaped dessert spoons to 7 litres of warm water. This solution enough for about 6 nappies and will remain anti-bacterial for approximately 24 hours.

Remove excess soil from nappies.

Immerse in the solution and soak. Allow soaking for at least two hours, or longer for persistent stains, preferably overnight.

No need to wash nappies, just rinse thoroughly either by hand, or use washing machines rinse and spin cycle.

Discard used solution by flushing down the toilet. Clean container before re-use.

TO USE A DETERGENT BOOSTER:

Use these amounts a guide

Light soil 2 to 5 grams per kilo

Medium soil 2 to 6 grams per kilo

Heavy soil 2 to 10 grams per kilo

PACKAGING DETAILS:

10 kg tubs and 25 kg bags.
