

PRODUCT INFORMATION SHEET

Blood Remover

PRODUCT APPLICATION:

Peega's **Blood Remover** is designed for fast efficient removal of blood stains from textiles. This product is alkaline and contains a unique blend of surfactants to further assist in obtaining a high degree of effective stain removal.

DIRECTIONS FOR USE:

Prior to use ensure that the fabric to be treated is unaffected by water and that coloured garments are colourfast. If in doubt test the garment in a small inconspicuous area.

Apply to stain and work in, flush with steam gun. Alternatively apply to stain and work with spatula to break up.

On completion flush with steam gun.

PACKAGING DETAILS:

5 litre and 20 litre containers.

HEALTH AND SAFETY:

A **MSDS** is available on request.
